Subject: EPA Spanish Pesticide Labeling Pilot Program Update

Hello,

My name is Christina Motilall and I am working with Jose Gayoso on the Spanish Labeling pilot program through the Office of Pesticide Programs here at the EPA. We would like to set up a conference call to give you an update on the pilot and to get your feedback on our label submission process for the pilot. In addition, we would like to see if there would be a way to expedite the approval of the pilot labels in your states.

Please let me know times that are convenient for you so we can set up the conference call. Thank you, have a great day.

Sincerely,
Christina Motilall
